Zweig v. Izzidini and Others	851, 1020

The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 I had to spend some time
 before I could get any
 work done. I was very
 busy all day and
 did not get home until
 late in the evening.
 I was very tired
 and went to bed
 early. I had a
 very good night's
 sleep and
 was
 very
 happy
 to
 see
 you
 again.
 I
 hope
 you
 are
 well.
 I
 love
 you
 very
 much.
 Your
 affectionate
 father,
 John
 Doe
